

The Fraternity of Saint George at Chevening

The Easter Shoot: 11 - 12 April 2026 to the Marks, at Speed and in the Cloth of Gold

This prestigious event will enjoy the secluded beauty of Chevening, the country retreat of the Foreign Secretary. The Middle and North Parks are in a commanding position below the scarp of the North Downs astride the route reputedly taken by King Harold in 1066 days before the Battle of Hastings. The ground is also crossed East to West by the Pilgrims way. The Easter Shoot is by kind permission of the Board of Trustees of the Chevening Estate.
